# Upcoming

- Today:
  - Final assignment details
  - Goals and Tasks
- User Evaluations:
  - Due May 14th
  - Testable interface ready by 5/9

## Goals and Tasks

---

## Goals and Tasks

**Activity: Prepare a Task Unit and Share Back**

## Usability Test Plan

### 4. Task List

A detailed list of tasks

Each task should include:

Description: What are the prompts?

Machine State: Where users begin from?

Successful completion: When is the task completed?

## Example Task Unit

### 1 Description

Name three important events that took place in the 1770s in America

### 2 Machine state

Timeline is set to the 1980s

Article on space shuttle is being shown

### 3 Successful completion

Participant verbally reports the names of three events by using the timeline
